

Tushaar Gangavarapu

Computer Science
Cornell University

Web: <https://tushaargvs.github.io/>
Email: tg352@cornell.edu

A. Education

2022– Graduate study in Computer Science
2015–2019 Undergraduate study in Information Technology with specialization in Artificial Intelligence (rank: 3/104), National Institute of Technology Karnataka.
Thesis: *Psychological aspects and behavioral traits in social media language*.
Committee: Ram Mohana Reddy Guddeti (advisor/chair), Sowmya Kamath S., Nagamma Patil, Biju R. Mohan.

Scholarships and honors

Huawei national scholarship for academic excellence, 2018–2019.
National higher secondary education scholarship for excellence (national rank: 10), 2013–2015.
South Indian Mathematics Olympiad medal of excellence (rank: 32), 2012.

B. Employment

08/2022– Graduate Student, Cornell University
09/2021–08/2022 Applied Scientist, Kindle Content Quality Algorithms, Amazon.com, Inc.
01/2020–08/2021 Research Engineer (natural language processing), Kindle, Amazon.com, Inc.
06/2019–12/2019 Software Development Engineer, Consumer Engagement, Amazon.com, Inc.
2018–2019 Scientific researcher, Healthcare Analytics and Language Engineering lab, National Institute of Technology Karnataka.
05/2018–07/2018 Software Development Intern, Kindle Create, Amazon.com, Inc.
2017–2019 Research candidate, Human Centered Computing Group, National Institute of Technology Karnataka.
2017 Research Intern, Center for Pattern Recognition and Machine Intelligence, People's Education Society (PES) University.

C. Representative publications

Full list: https://scholar.google.com/citations?user=C7v_cA8AAAAJ.

Research interests

Explainable natural language processing and understanding (with applications in biomedical and healthcare informatics).
Psychological and behavioral assessment and modeling.
Social and cognitive sciences (understanding the implications of intelligent tools in shaping individual personality).

Articles under review

Tushaar Gangavarapu, Ram Mohana Reddy Guddeti, and Preethi Padala. Gauging the behavioral patterns of voters: Exploring the latent user traits and political preferences using social media. *Social Network Analysis and Mining*, Under review (2022)a.

Tushaar Gangavarapu, Ashwin T.S., and Ram Mohana Reddy Guddeti. Evaluating affective and cognitive outcomes of a VR game-based learning approach for basic mathematics. *Virtual Reality*, Under review (2022)b.

Tushaar Gangavarapu and Sriraghavendra Ramaswamy. Alexa, stop reading the references: Enhancing the reading experience in Kindle eBooks. In *Amazon Machine Learning Conference – AMLC 2022*. Amazon, Under review (2022)a.

Tushaar Gangavarapu and Sriraghavendra Ramaswamy. A figure is worth a thousand words, but where are the words?: Enhancing image experience in eBooks. In *Amazon Machine Learning Conference – AMLC 2022*. Amazon, Under review (2022)b.

D. Professional service

Recent invited talks

Learning to Predict: Tree-based Classification. Guest lecture at the Machine Learning University, Amazon.com, Inc., 2020.

Cognitive and Affective Assessments in Game-based Simulated Environments. Invited talk at the Department of Information Technology, National Institute of Technology Karnataka, 2020.

Greedy Evolutionary Feature Selection for Biomedical Data. Invited talk at the Department of Information Technology, National Institute of Technology Karnataka, 2020.

On the Convergence of High Performance Computing and Machine Intelligence. Invited talk at the National Workshop on High Performance Computing and Applications (HPCA 2019), National Institute of Technology Karnataka.

Exploring Latent Human Traits Through Social Media Modeling. Guest lecture at the Department of Information Technology, National Institute of Technology Karnataka, 2019.

Game-based Learning and Assessment: A Case Study of a Mobile-VR Game. Guest lecture at the Department of Information Technology, National Institute of Technology Karnataka, 2019.

Building Predictive Applications Using Social Media Digital Footprints. Invited talk at the National Workshop on Predictive Analytics and Applications (PAA 2019), National Institute of Technology Karnataka.

Refereeing

2020 Frontiers of Intelligent Computing: Theory and Applications (FICTA) 2020, Healthcare Analytics and Language Processing (HeAL) 2020 program co-chair.

Scientific activities

2022 Teaching Assistant (F22) for Natural Language Processing (CS4740; LING4744; COGST4740; CS5740), Cornell University

2020 Co-organizer of AQUA-tic ConScience: Books machine learning ideation and brainstorming group, Amazon.com, Inc.

2018 Research Assistant for Applied Soft Computing and Genetic Algorithms (IT355), National Institute of Technology Karnataka.

2018	Teaching Assistant for Computer Communications and Networking (IT251), National Institute of Technology Karnataka.
2016	Teaching Assistant for Machine Intelligence and Neural Learning Algorithms, Winter Mentorship Programme, National Institute of Technology Karnataka.

Membership in professional organizations

Association for Computational Linguistics (including SIG on Natural Language Learning (ACL SIGNLL)).

Institute of Electrical and Electronics Engineers (including IEEE Computer Society).

University committees

2016–2019	Executive member, Institution of Engineers (IE Code SIG), National Institute of Technology Karnataka.
2016–2019	Executive member, Web Enthusiasts' Club (Intelligence SIG), National Institute of Technology Karnataka.
2016–2019	National Institute of Technology Karnataka Student Ambassador, Intel Artificial Intelligence.
2016–2018	National Institute of Technology Karnataka Student Ambassador, CodeNation.

August 30, 2022
